#### WENDY MAYBURY

Wendy Maybury's report cards always said, "Wendy shares too much with her neighbors and disrupts the class." What they should have said was, "Wendy would be an awesome comedian!" She loves to make people laugh by entertaining them with stories about her crazy Southern family and new motherhood. Wendy is one of the most requested performers in the Midwest. Whether in a dive bar, or opening for Louie Anderson at the Minneapolis Convention Center, Wendy Maybury is a comedic force. Her 1st album "She's Not From Around Here" is due to be released by Stand Up Records Summer 2017
